**Amendments to the Claims:**

This listing of claims will replace all prior versions, and listings, of claims in the specification:

**Listing of Claims:**

Claim 1 (currently amended): A retractable combination automobile sunshade and luggage carrier comprising:

at least one housing;

at least one sunshade means mounted in said housing which comprises a roller means and a flexible sunshade mounted on said roller means which can be unrolled to cover a front or rear windshield;

at least one retraction means disposed supporting said housing and capable of an extended and raised position and a retracted and lowered position.

Claim 2 (original): A retractable combination automobile sunshade and luggage carrier as claimed in Claim 1 further comprising seal means mounted on said housing.

Claim 3 (original): A retractable combination automobile sunshade and luggage carrier as claimed in Claim 1 wherein said retraction means comprises a linkage mechanism.

Claim 4 (original): A retractable combination automobile sunshade and luggage carrier as claimed in Claim 1 further comprising actuator means connected to said
